Public Auction Sale XIV.

While my Thirteenth Sale, held on October 14th and 15th, last, was a splendid success, and one of the largest ever held in New York, this, my Sale XIV, will not be far behind it in importance. The fine collection of Italian copper coins, some dating back to the middle ages, is noteworthy for rarity and superb preservation. The valuable collection of Egyptian, Babylonian, Greek and Roman scarabs, necklaces, beads, seals, cylinders, bracelets, vases, vessels, glass objects, statuary, weapons, etc., make an interesting variety. In coins there are an uncirculated U. S. Cent of 1805, some nice gold, with rare D. Mint Quarter Eagles, and Half Eagles of 1830 and 1833, a Goloid proof set of 1880 in copper, including the very rare $4 piece, some United States Patterns, a gem U. S. Silver dollar of 1795, with proof surface; an 1806 Quarter Dollar, uncirculated; very fine Dimes of 1796, and 1800; very choice Half Dimes of 1795, 1796, 1797. Extremely fine Chain cents of 1793; Encased Postage stamps. A superb collection of nearly 100 Silver War medals, the third and final offering of this collection, including many rarities, Peninsular, India, Afghanistan, Crimea, Canada, Kimberly, etc. Some choice United States Fractional currency.

Please note that the sale will be held on the afternoon and evening of Thursday, December 19th, next, the afternoon session beginning at 2 P. M., the evening at 7:30. For the benefit of those who wish to make a careful examination of the lots, we will place them on exhibition on December 18th and 19th, from 1 to 5 P. M.

Send in your bids early, and if convenient come personally to the sale.

For $1.00 we will price your catalogue in ink. For $1.00 we will send you a catalogue with three splendid plates. Plain catalogues are free.
